Product short description:

The TEAMAC Bilge and locker paint - 2.5 litre is an essential coating solution designed specifically for marine environments, ensuring durable protection and an immaculate finish for the bilges and lockers of your boat. This high-quality paint offers excellent adhesion and resistance to moisture, oil, and wear, making it the ideal choice for enhancing the longevity of your vessel's interior surfaces.

- Versatile indoor use for boats
- Moisture and oil-resistant formula
- Easy to apply with great coverage
- Durable and long-lasting protection
- Superior adhesion to various surfaces
- Ideal for enhancing bilge and locker areas
