UPC: - MPN: 25065

Product short description:

Single-grade mineral motor oil for gasoline and diesel engines with a naturally high viscosity index. It provides for a stable lubricating film even under extreme operating conditions. Its high alkaline reserve prevents corrosion even when diesel fuel with a high sulfur content is used. Lightly doped for use in classic engines as well.

- can be used in gasoline and diesel engines with and without turbocharger
- high lubrication reliability
- high wear resistance
- optimum stability to aging
- universal application
