Product short description:

Specifically designed for marine purposes to protect and preserve. Keeps moving parts moving and protects against corrosion and oxidation. Drives out moisture and protects the vessel's entire electrical system. Frees up bolts which have rusted solid and reduces squeaking noises. Neutral

acting on plastics, paints, metals and wood.

- good corrosion protection
- outstanding sea and salt water resistance
- releases seized up and rusted on parts
- does not attack plastics, paints, metals and wood
- optimum penetration properties
