Product short description:

The Typhoon TX3+ Offshore Sailing Jacket in Red is an exceptional waterproof and windproof jacket that is ideal for offshore sailing in demanding conditions. It is made of a durable 3-layer nylon material with a DWR coating and fully sealed seams to provide excellent protection against the elements. The jacket comes with several innovative features that ensure your comfort and safety while on the water. These include a double cuff system to prevent water ingress, and a fully adjustable high collar with a warm and comfortable fleece lining.

- Ergonomic hood and facemask with high-vis detailing
- Articulated arms for improved mobility
- PU adjustable cuff seals
- Fleece lined hand pockets, outer and inner chest pocket
- Reflective print detail
- Hanger loop for easy drying and storage
