Product short description:

The TX-3 Coast Jacket is ideal for coastal navigation and equally suitable for sailing or powerboating. Constructed from a high-performing 3-layer material with a durable water repellent (DWR) coating and fully taped seam construction, which provides protection and performance when you need it the most.

- TX-3 DWR coated, 3-layer polyester material with mechanical stretch
- Fully taped seam construction
- Protective and fully adjustable fit
- Splash proof zips
- PU lined adjustable cuffs
- Fleece lined collar
- Outer and inner chest pocket
- Reflective print detail
- Unlined for reduced weight and increased flexibility
