Product short description:

Typhoon TX-3 Coast Hi-Fits are waterproof and windproof coastal salopettes which can be worn alone or with the Typhoon TX-3 Coast Jacket . These highly breathable and articulated hi-fits are constructed from a 3-layer material with a durable water-repellent (DWR) coating and fully taped seam construction.

- TX-3 DWR coated, 3-layer polyester material with mechanical stretch
- Fully taped seam construction
- Protective and fully adjustable fit
- Splash proof zips
- PU lined adjustable cuffs
- Fleece lined collar
- Outer and inner chest pocket
- Reflective print detail
- Unlined for reduced weight and increased flexibility
