Product short description:

Sealey Solar Power Panel 2.4 Watts Or 4.8 Watts:

Amorphous solar panels convert daylight directly into 12V electricity.

Suitable for maintaining charge in a wide range of batteries and power packs.

Ideal for batteries stored in boats and caravans and for batteries in vehicles in long-term storage.

Advanced technology solar panels require only daylight to generate power.

Supplied with suction pad fixings, battery clips and vehicle accessory socket plug (only suitable for vehicles with “permanent live” accessory socket).
